2018 Stage 6 Conference

Fri 25th – Sat 26th May 2018

Bankstown Sports Centre

President's Invitation

On behalf of the ACHPER NSW Board and Office, we warmly welcome you to our 2018 Stage 6 Conference. It is hard to believe that this is the fourth year of a conference that supports experienced PDHPE and CAFS teachers across NSW.

My name is Kelly Bell, it is with great pleasure that I introduce myself as the President of ACHPER NSW. I feel very humbled and honoured to be leading such a dedicated, energetic, passionate and hardworking Board as well as representing ACHPER NSW members, delegates and the wider ACHPER community.

ACHPER NSW has a long-standing history of supporting PDHPE educators, associates, their students and other members of the sport and recreation sector. As a Board, we are strongly committed to developing and presenting the highest quality professional learning and resources for our members and delegates that are representative of current challenges and changes that we face in all sectors.

I truly believe that teachers and members of our PDHPE community can greatly benefit from working together by learning, networking, sharing and collaborating. To be inspired by each other's passion and commitment to be the best we can be and to share positive messages with the young people with whom we work.

The short history of our Stage 6 Conference does just that. It provides an opportunity for educators to hear updates first hand from key stakeholders in the PDHPE community as well as networking with colleagues over the two days, sharing resources and assessment ideas, and collaborating on different projects.

This year we are pleased to announce the keynote session will be presented by Karen Ingram, Senior Inspector, PDHPE and Curriculum Standards Directorate at NESA.

In addition, we will be offering an extensive range of workshops presented by teachers and academics with sessions that provide contemporary information and practical strategies to implement in your classroom.

With many of our experienced teachers looking for high quality, hands on professional learning which is aligned to our relevant syllabuses this is an event not to be missed.

We are always looking for ways to ADVOCATE, EDUCATE and SUPPORT PDHPE teachers, our students and the wider community, so please contact us if there is something we can do to work with you and your faculty.

We are looking forward to seeing you and your colleagues on May 25 and 26. Thank you for supporting the range of exciting professional learning opportunities we have in store for all subjects under the PDHPE Key Learning Area in 2018!

Yours in health and wellbeing,

Kelly Bell
President of ACHPER NSW
PDHPE and CAFS Teacher

2018 Stage 6 Conference

Friday 25th – Saturday 26th May 2018

Bankstown Sports Club

Our conference program is running over 2 days offering specific workshops tailored to Stage 6 PDHPE and CAFS teachers and features knowledgeable presenters all with exceptional classroom experience, Multiple workshops are available, covering a variety of topics designed to enhance knowledge and understanding of Stage 6 content and teaching methodologies.

It also offers networking opportunities and resource sharing activities where you can socially interact with leading professionals, educators and other PDHPE and CAFS teachers. Connect with colleagues who are innovative, motivated and passionate about PDHPE and CAFS.

Keynote Speaker:

Karen Ingram

NESA Inspector PDHPE

Karen has been involved in the field of PDHPE for the over 20 years and is currently the Acting, Director, Curriculum and Assessment and the Inspector, PDHPE at the NSW Education Standards Authority (NESA). In addition to teaching PDHPE in schools she has held leadership roles as Head of Department, Year Coordinator, Sport Coordinator, Deputy Head and Acting Head of High School. Karen has a wealth of expertise having worked on PDHPE projects at a state, national and international level.

Other presenters:

Janice Atkin

PDHPE Consultant

Managed the development of the Australian Curriculum for Health and Physical Education. Previously worked as Curriculum Manager with NSW Department of Education. Developed a range of teaching resources and online professional development sessions. Currently facilitating the Australian Curriculum Health and Physical Education online learning community on Facebook.

Kim Rodenburg

Wellbeing Coordinator - Kingscliff High School

Kim Rodenburg began her career in PDHPE, teaching CAFS for the first time in 2000. Since then she has written, reviewed and delivered numerous resources and professional learning workshops on behalf of ACHPER NSW. Kim continues to provide consultancy and curriculum advice to various professional organisations, including NESA and the NSW Department of Education. She is a strong advocate for sharing resources to aid in the development of future generations of CAFS teachers across NSW and has played a significant role in the development of the mycafsnet wiki and CAFS Facebook and Twitter Networks.

Dominique Sidaros

Administration Coordinator at Bede Polding College (school executive)

- Previously the Senior Curriculum Advisor, PDHPE at NESA
- Held various school senior leadership positions including Curriculum Coordinator, Assistant Dean of Learning, Head of PDHPE over last 20 years.
- ACHPER member and presenter since 2007

Michelle Maher

Experienced PDHPE Teacher

30 years' experience teaching PDHPE 7-12 in NSW Currently HT PDHPE @ HSPA, overseeing Teaching and Learning and Student Leadership. Author Stage 4-5 Zone Books and Stage 6 Application and Inquiry 2nd Edition. Extensive experience as HSC marker and Senior Marker. Writer and Presenter for ACHPER (Stage 6 materials) along with PDHPETA, Synergy, UON Study Days and HSC in the Holidays.

Luke Adams

Experienced PDHPE Teacher

Luke is currently the Head Teacher of PDHPE/Sport at St Peter's Anglican College, Broulee and has had 12 years' experience teaching Stage 6 PDHPE. Luke has overviewed and facilitated the implementation of the Google Apps for Education program at two separate schools and continues to utilise Google Classroom in his day to day teaching.

This provides a 24/7 learning environment for his Stage 6 students and encourages collaborative, anywhere, anytime learning. He has been responsible for ICT professional development of staff and worked collaboratively with staff to assist with the implementation of 21st Century learning into their teaching. Luke thoroughly enjoys teaching Stage 6 PDHPE and has presented at other PDHPE organisations on the Google Apps for Education.
