

## Supporter Invitation

**Stage 6 PDHPE Conference**  
**10 – 11 May, 2019**  
**Bankstown Sports Club**

Dear supporter,

ACHPER NSW is a not-for-profit professional association representing those who work in the areas of Health Education, Physical Education, Recreation, Sport, Dance, Community Fitness and Human Movement Studies. ACHPER NSW has a strong reputation for offering professional learning of the highest quality for educators who teach subjects in the PDHPE KLA.

We are pleased to invite you to provide a trade display at our **Stage 6 Conference** to be held at Bankstown Sports Club on Friday 10 and Saturday 11 May, 2019.

The organising committee conservatively anticipates that no less than 180 teachers from across all education sectors in NSW will attend. These teachers are always seeking quality and innovative resources to assist with their teaching and learning, outfitting of students and staff, and in the advocacy of health and physical education within the school and the community. Post event, conference delegates also network with other members of staff, at their own and other schools, therefore increasing potential marketing opportunities.

Conference delegates will have a number of opportunities to access the Trade Exhibition the day of the event. These times include:

- Pre-conference morning (7:30am - 8:30am)
- Morning tea and lunch
- Incidental time throughout the duration of the conference
- Post workshop networking sessions

Please find below a comprehensive proposal for a Trade Exhibition for your consideration. If you wish to discuss any aspect of the conference further, please don't hesitate to call. We look forward to your acceptance of this invitation and to partnering with you in delivering this exciting learning opportunity.

Yours sincerely,

Julie Percival,  
Executive Officer  
ACHPER NSW  
PO Box 58, Belmore, NSW 2192

## Why Support this ACHPER NSW Stage 6 Conference?

ACHPER NSW is a membership based non-profit organisation, comprising of professionals from education and community sectors. It has a strong network and relationship with other state and territory branches that serve members through a range of activities. ACHPER has a vision to promote physical activity and healthy living for all Australians.

ACHPER NSW understands the importance of school communities (young people, teachers and parents), sport and recreation organisations, health services and other agencies that support the needs of the community to strive for Active and Healthy Living.

Gaining exposure through supporting ACHPER NSW activities will be very beneficial to your organisation for several reasons. Firstly, a high proportion of ACHPER NSW conference delegates and ACHPER NSW members are Sport Coordinators, Physical Education teachers or Heads of Departments in schools and tertiary sectors. In terms of promoting the programs and resources that you offer, these people are important stakeholders and vital role holders and decision makers.

Secondly, you know by virtue of the fact they attend our professional learning and/or are members of our association, these people are innovative, motivated and passionate about the areas of health, physical activity, physical education, wellbeing and recreation.

## Who will attend the conference?

The target audiences for the ACHPER NSW **Stage 6 Conference** include:

- 7-10 PDHPE Educators
- Stage 6 PDHPE and CAFS Educators
- PDHPE Coordinators
- Other educators

### Why you should invest?

Benefits include the opportunity for your organisation to directly promote your brand, products or services to PDHPE and CAFs teachers.

The 2019 ACHPER NSW **Stage 6 Conference** will be a unique and wide ranging forum for ideas exchange. The program is set to include both practical application and theoretical sessions.

It will be structured around keynote presentations and workshop sessions including: Stage 6 specific PDHPE and CAFS topics, Assessment and Reporting, Syllabus requirements and a range of other general workshops.

The benefits of being a supporter include:

- Alignment with ACHPER, the peak professional body for the Health, Physical Education and Recreation professions in Australia. For further information, please see the ACHPER NSW Strategic Priorities 2017 – 2019, available [here](#)
- Gain direct access to members of the Health & Physical Education teaching profession
- Promote your brand, product or service to potential clients and decision makers
- Increase brand awareness and exposure
- Leverage advertising, marketing and publicity off association with the event
- Demonstrate a commitment to promoting active and healthy lifestyles
- Prominent recognition during the conference
